

2024 Congressional Advocacy Forum

June 5-6, 2024

Whether you actively advocate with the Administration or your Members of Congress or not, you should plan to participate in the Roundtable's Congressional Advocacy Forum. You'll learn first-hand from industry leaders, DC allies, and key friends in Congress about the issues which impact health care purchasers today.

The Forum will begin with a networking reception on Wednesday, June 5th and continue with a series of educational presentations on Thursday morning, June 6th. For those who are able, the Roundtable will provide information to support meetings on Capitol Hill as health plan representatives reach out to educate their Members of Congress on Roundtable priorities.
